

Seminar zur Vorlesung Organische Chemie 5. FS

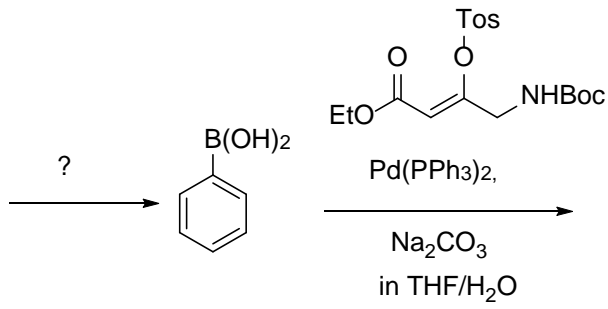

Übungsblatt Nr. 7

1) Vervollständigen sie die Reaktionsgleichungen

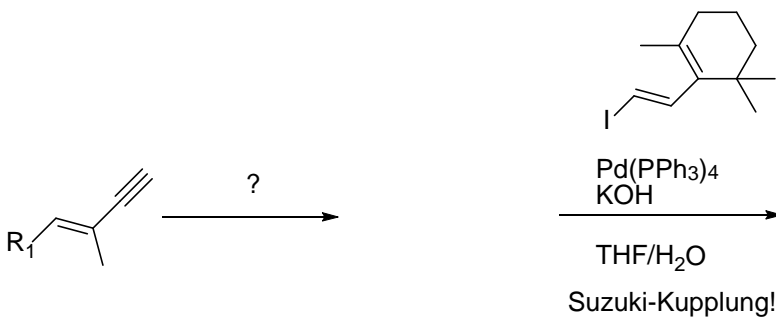

2) Vervollständigen sie die Reaktionsgleichungen. Wie können die benötigten Bor-Verbindungen hergestellt werden?

a)

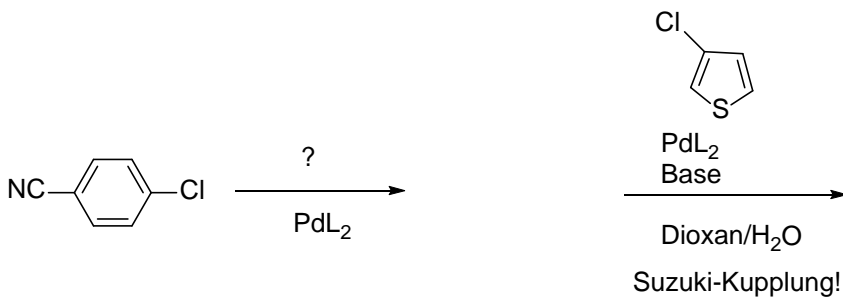

Wozu wird Base benötigt?

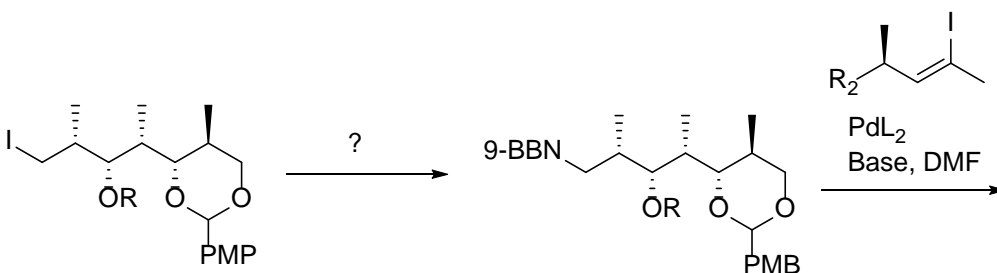

b)

c)

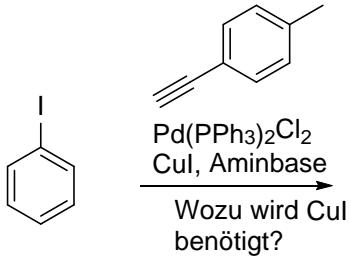

d)

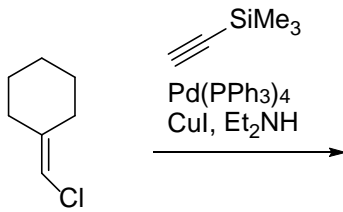

3) Vervollständigen sie die Reaktionsgleichungen.

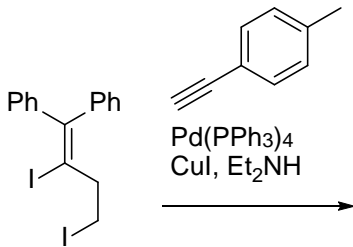

a)

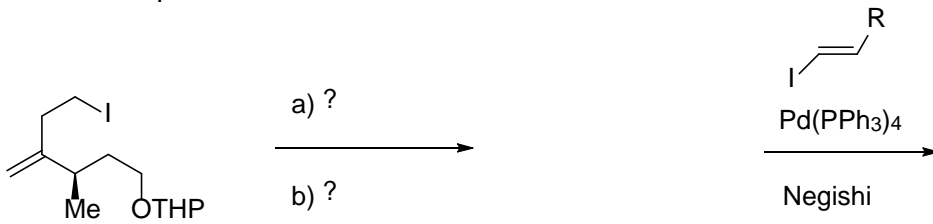

b)

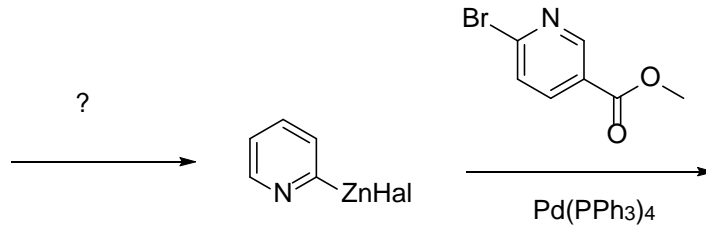

c)

d)

e)

f)
